## STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Unity qualified to vote in district affairs:

You are hereby notified to meet at the Unity School, in said district, on the eleventh day of March, 1967, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization and building funds, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the school district will vote to adopt a plan for extending to non-professional employees of the school district the benefits of Title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate a sum of \$69.72 to defray the school district's share of the cost thereof.

9. To see if the district will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources, in addition to the original appropriation for 1967-68 for the lunch program, general expenses, equipment and improvements.

10. To see if the district will authorize the School Board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or state agencies. Further to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

11. To see if the district will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

12. Shall the school district accept the provision of RSA 195-A (as amended) providing for the establishment of an area school located in Claremont to serve the following grades 9-12 from the school districts of Claremont and Cornish and Unity, in accordance with the provisions of the plan on file with the district clerk?

13. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS at said Unity this 9th day of February, 1967.

# Superintendent's Report

---

To the Unity School Board and Citizens of the Town, I herewith submit my second annual report as Superintendent of Schools.

## ENROLLMENT-BUILDING PROBLEMS

Unity, the same as most school districts, continues to grow in the area of student enrollment. The total enrollment in the Unity Elementary School is 113 as compared to 91 pupils last year. The district may have a building problem within the next few years if this trend toward increased enrollment continues.

The present combination first and second grade room has 34 pupils. This pupil-teacher enrollment is too large for a single room, and the pupil-teacher ratio in this multiple grade room is an extremely poor educational situation. A definite problem could arise next year if the first grade enrollment equals, or is near, the present level. It would be an almost impossible task for any teacher to instruct a multiple grade room of over 35 pupils. A multiple grade room at this level might include students with early educational handicaps, and this would increase the instructional problems. Therefore, a building addition problem may confront the district in the very near future.

The roof of the school building is such that maintenance work will be required this spring. Several roofing companies inspected the roof this past summer and fall, and all recommended immediate repairs. Because the school budget did not contain the necessary funds for repairs, the required restoration had to be postponed. The entire old roof will have to be removed, and sheathing paper, plywood, felt, asphalt, et cetera, will have to be applied. Thus, the entire roof of the main building up to and tying on to the new section will be replaced, and new flashing and vent pipes will be installed.

The exterior of windows, sills, overhang and other wood areas should be painted as a part of a preventive maintenance schedule. Good building maintenance requires a preventive schedule in order to save future tax dollars.

## AREA CONCEPT

The District will vote on the proposed Authorized Regional Enrollment Area (AREA) contract at the annual District Meeting, and I sincerely hope it will meet approval in Unity (Cornish and Claremont).

The advantages to the sending schools are:

1. Guarantee of a school to which to send pupils in Grades 9-12 residing within the proposed area.

2. Lower per pupil costs.

3. Guarantee of a meeting three times per year of the School Boards of the sending and receiving districts to discuss suggested improvements or changes in curriculum, program, or services.

The disadvantage is: The District will be committed for the life of the contract.

The districts of Unity and Cornish conceivably could, in the very near future, be presented with the problem of finding a receiving school for the pupils in Grades 9-12 in the event the proposed contract is not accepted.

### SUPERVISION AND INSTRUCTION

Mr. Anthony Amari has been employed by the Supervisory Union as Teacher Consultant. Mr. Amari will aid in instruction and supervision for Grades 1-8 in Unity and Cornish, and Grades K-4 in Claremont. Mr. Amari has been spending a large amount of his time in the Unity and Cornish schools, working with teachers and pupils. This position does not include administration. The Supervisory Union policy is for the Teacher-Consultant to devote all his time and efforts in the area of instruction and curriculum.

The citizens of Unity are fortunate in the make-up of the School Board. The members are extremely diligent, and spend many hours in discussing schools problems. This Board is interested not only in the budget and the school plant, but also is concerned with the program of studies and welfare of the elementary pupils, and with the education of the students attending secondary school in Claremont and Newport.

The District has been fortunate in obtaining the services of Mr. Arthur Lake as custodian. Mr. Lake shows pride in his work, and spends many unpaid hours cleaning and maintaining the plant.

The teachers recognize that curriculum improvements are necessary, and have met with the Assistant Superintendent and Teacher Consultant on numerous occasion; future meetings have also been planned in an effort to upgrade instruction. The cooperation between the faculty and administration has been excellent. I honestly believe better education for the pupils of the Unity Elementary School will be the end result.

I wish to thank the School Board, teachers, custodian, and bus contractors for the cooperation extended to the Supervisory Union staff.

GEORGE F. DISNARD

## UNITY ELEMENTARY SCHOOL

### Report of Principal—1966-67

School began in September, 1966, with an enrollment of 103 pupils, which has increased to 113 at the present time.

Mrs. Cross, Mrs. Newman, Mrs. McCullough and Mrs. Nelson returned to their positions held the previous year. Also, we welcomed Mr. Anthony Amari, teacher consultant, who has been very helpful in assisting us in various capacities.

Mr. Arthur Lake of Newport was appointed custodian.

During the school year, Mrs. Cross completed a course in United States History at Keene State College and a course in Elementary Art from the University of New Hampshire. At present, she is attending another history course at Keene State College. Mrs. Newman and Mrs. Nelson received credits in Curriculum Development from Keene State College.

Among activities this past school year was the Memorial Day program held at the monument on the Common. This was well-attended by the townspeople. The annual trip to the grave of the Revolutionary War soldier was televised and appeared on many channels throughout the country.

The eighth grade enjoyed a class trip to Boston, visiting the Science Museum and other places of historic interest.

Graduation exercises were held in June with Dr. Strother Marshall as speaker and the Rev. Louis C. Reed as minister. We note with interest and pride that many of our graduates have been Honor Roll students in their respective high schools.

Television classes have continued this year. Pupils of the sixth, seventh and eighth grades have enrolled in the French lessons.

A program was held at Christmas time in which the entire school participated. The Parent-Teachers Club and the Unity Fire Department Auxiliary generously gave gifts, candy and ice cream to all of the children.

The seventh and eighth grades conducted the regular subscription drive this fall. Two hundred dollars of this fund was spent for new library books. Over \$200 more, through the Federal Education Act, Title II, has also been used for books.

Many improvements have been made in the school plant. Among these, shades for the windows in the west rooms have helped much, and are certainly appreciated by both children and teachers.

Claremont School nurses, Mrs. Sanderson and Mrs. Barton, have aided us whenever needed. Mrs. Sanderson has now established regular visits to our school.

Members of the Unity School Board, the Claremont School office, Mr. Disnard, Mr. Waldo and Mr. Amari, have all helped to make this a very pleasant year.

Respectfully submitted,

ELIZABETH T. NELSON,  
Principal.

## Report of the School Nurse

---

To the Unity School Board and the citizens of Unity I herewith submit my annual report as school nurse.

During the school year 1965-66, 92 vision tests were done. Six children were found in need of further examination and were checked by their family eye specialists. Corrections were made as necessary.

Ninety-one children were given hearing tests. Three children were found to have impaired hearing and follow-up work was done.

Ninety-one children were weighed, measured and checked for noticeable health problems.

Dr. Sprague of Claremont came to the school and made Dental examinations on 90 children. Eighteen children attended the Dental Clinics at Dr. Sprague's office and received treatment. The Unity Parent-Teachers Organization sponsor the Dental Clinic.

Tuberculin Testing was done on 23 school children and three adults. Six persons reacted to the test and chest x-rays were done on all. Results were negative. The Heaf Test was used this year.

A series of three Immunization Clinics were held during the school year. They were fairly well attended. Immunizations against Diphtheria, Whooping-Cough, Tetanus, Small Pox and Poliomyelitis were available. Members of the Parent Teacher Organization assisted with the Clinics and the transportation.

Health-wise it was a very good year. There were several cases of Measles, but not an alarming number.

I would like to take this opportunity to express to the community of Unity my sincere appreciation for the excellent support always given the School Health Program, the Unity School Board for their interest and real cooperation, and the fine teaching staff with whom it has been a pleasure to work. Thank you.

Respectfully submitted

FLORENCE MacIVER,  
School Nurse

- NOTES -

The first thing I noticed when I stepped out of the plane was the cold air. It was a sharp contrast to the warm air of the plane. I took a deep breath and felt the air fill my lungs. I looked around and saw a vast, open landscape. The ground was covered in a thick layer of snow. The sky was a pale blue, and the sun was shining brightly. I felt a sense of peace and tranquility. I had finally reached the place I had been dreaming of for so long. I took a few more deep breaths and then walked towards the horizon. The snow was soft under my feet, and the air was so clean. I felt like I was in a new world. I had found what I was looking for. I had found my home.
